Registration for the Experienced Administrators Program

The Experienced Administrators Program: We are ready to tackle the big one: curriculum design, planning, and review. In our five meetings, we will explore the processes and best practices of building, evaluating, and maintaining excellent academic programs with the help of Kevin Mattingly of Lawrenceville Academy, Bill Bullard of Collegiate School, and facilitator Crystal Land of Head-Royce School. In particular, we will focus upon developing inclusive and effective processes for reviewing and planning curriculum, honing skills as curricular leaders, and recognizing and avoiding fatal flaws and pitfalls in work of this kind. The program is open to experienced administrators who have not been part of it heretofore; they will join a strong and varied group that has enjoyed as many as five previous years of collegiality and mutual support.

Cost: \$1500
